PLEDGE

to Make a Positive Impact for
Community Children and Families

On any given day, there are hundreds of children on the First Coast facing abuse. There are multitudes of neglected children requiring foster or adoptive care, and an alarming number of teens struggling with homelessness. **You have the unique opportunity to give hope to these kids in crisis, while also supporting families that are working hard to stay together, by joining the Daniel 1884 Giving Society.**

The 1884 Giving Society is an exclusive group of philanthropists dedicated to upholding Daniel's guiding mission of helping children and families. Founded in 1884, Daniel is Florida's oldest child-service agency, assisting an average of 3,000 children and families each day. Our diverse range of innovative and nationally recognized programs:

- supply on-site residential counseling for abused and emotionally-troubled children
- connect neglected children with caring foster and adoptive families
- provide homeless teens with shelter and independent living skills
- reduce delinquency among at-risk youth
- strengthen families who are working toward reunification

Although we've spent well over a century serving youth, we need your help. Due to increasing demand for our services and ever-shrinking resources, we need civic-minded individuals and businesses to fill the gap. With a minimum \$1,000 tax-deductible donation to Daniel's operating fund, you can become a member of the 1884 Giving Society and instantly be a part of positive community change. You'll also find your charitable contribution puts you in good company – the company of people who care.

Please give kids and families in crisis the gift of a brighter future by joining the Daniel 1884 Giving Society today.
