## with our Spring Break / Easter Basket Drive

Daniel provides services to 5,000 local children and families each year, many of whom would not have a good spring break or a happy Easter without assistance from people like you. We count on hundreds of caring individuals, corporate partners, schools and community groups to help provide a break from the daily reality these vulnerable children and youth face.

Donations to the Drive are also welcomed and can be made at [www.danielkids.org/seasonal-drives](http://www.danielkids.org/seasonal-drives)
